## Portable ceiling lift with “tarzan” system

Modified version of the Portable ceiling lift for two adjoining rooms: the solution for getting through doors

- The "tarzan" system: modified version of the portable ceiling lift for lifting between two rooms with a classic doorway.
- No need to modify the doorway (no need to extend the ceiling track rails).
- Direct movements between different rooms (usable at bed, bath, toilet, shower...).
- In combination with the Handi-Move Body Support® or slings.
- Light and compact, yet powerful: lifting up to 182 kg.
- Budget-friendly: one motor for several rooms.
- Aesthetic: streamlined timeless design.
